## FRACTIONAL CHART ORDER OF FINISH AND AVERAGE TIMES

(This is not a Selection)

- 1: Olympio's Jewel
- 2: Waafi and Fiery Rebel (tie)
- 3: Nautical Rule and Don't Forget Muq (tie)

**ET:** :21.5, :44.2 and 1:10.1 (Expected Times with a 0 variant)  
**AT:** :21.9, :44.7 and 1:08.1 (Average Times for mid-level races)  
**AFTL:** :22.3, :45.3 and 1:10.1 (Average Times for this level)

## RACE APPRAISAL

**ANALYSIS:** **Olympio's Jewel** finished 6th vs. NW2L \$25,000 types Sept 3. However, that race tops the charting, he drops in class and moves to an outside post. **Jewel** has tactical speed and is the HF 15a. **Nautical Rule** is a speedy comebacker who tries this kind for the first time. His barn can bring them back ready and he could prove tough to beat if he runs anywhere near that last race May 15. Watch the betting. **Waafi** was 4th in the common Sept 3 affair. He was 2nd in his previous two starts at

this level and should make his presence felt in deep stretch. **Ubetimfast** didn't fire in his comeback Sept 18, but did run well over this strip Jan 3 and loves to run on the front end. Maybe he will move forward now that he has recency. **Analysis by Jon Shonk**  
**CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Waafi :23.3 - Fiery Rebel :24.4 - Lord In Command :24.7

## HORSE COMMENTS

**Ubetimfast** popped and stopped in his comebacker vs. \$20,000 soph sprinters at Fairplex Sept 18. He may have needed that one and did finish 2nd over this strip Jan 3. Better seems possible with the drop to this level.

**Fiery Rebel** made start #17 a winning one vs. \$20,000 Maiden-Claimers at Fairplex Sept 12. He became the fourth next-out winner out of that Aug 26 affair and could co-top the charting off that last one. However, he finished out of the Trifecta in his previous three starts and we'll take a stand against him winning two straight.

**Waafi** is back to this level off his 4th vs. NW2L \$25,000 claimers Sept 3. That was a high-rated affair and he finished 2nd in his previous two starts which were vs. this kind. Look for him to be running on late.

**Tactical Talent** was eased at Fairplex off the claim Sept 26. He makes his third start off the layoff, but his previous two starts were not much and a low-profile rider is up. We'll look elsewhere for the winner.

**Caribbean's Comic** continues to be overmatched at long odds at this level. Though he is a winner over the Pro-Ride, he would be a surprise.

**Nautical Rule** was the runner-up against NW2L \$25,000 sprinters May 15. Off since, he has four works since Aug 23 for a barn that can bring them back ready. The drop in class may help as well and we'll watch the betting for clues as to his readiness.

**Don't Forget Muq** is a 5-year-old who was 4th in a like event Sept 9. He hasn't been beaten too badly in his last four starts and plots for a share. He may need a pace meltdown to defeat these, but has a look to impact the exotics.

**Lord In Command** is another comebacker who was 9th vs. similar June 18. He shows three drills since Sept 14 for a trainer that tends to race them into shape. With 14 losses to date, we are willing to take a stand against him on the win end.

**Olympio's Jewel** finished 6th in that high-rated Sept 3 event. This is only his fifth start, he draws outside and he tops the charting. He could look much improved with the drop in with these.

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,', the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J,K,L'. Use the following patterns to build your nine \$2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

**PICK SIX SCRAMBLE FORMULA**

	Ticket 1	Ticket 2	Ticket 3	Ticket 4	Ticket 5	Ticket 6	Ticket 7	Ticket 8	Ticket 9
Leg 1	A	A	A	B	B	B	C	C	C
Leg 2	S1	S1	S1	S1	S1	S1	S1	S1	S1
Leg 3	D	E	F	F	E	D	E	D	F
Leg 4	S2	S2	S2	S2	S2	S2	S2	S2	S2
Leg 5	G	I	H	I	G	H	H	I	G
Leg 6	J	K	L	J	K	L	J	K	L

**HF EXPLANATION**

(Column 8 on each race page contains the following numbers that refer to these factors.)

1	<b>FIRST TIME STARTER</b> - Horses with some racing experience, even when limited, often perform better than first-time starters even though the latter may have greater potential.	15a	<b>IN-THE-MONEY</b> - This horse appears to have most of the elements suitable for an in-the-money performance.
2	<b>LIVE HORSE</b> - It appears this horse is ready for a top performance.	16	<b>LONG LAYOFF or RECENCY</b> - Horse is coming off a layup of more than 90 days and the lack of racing is a potential negative.
3	<b>DISTANCE CAPABILITY</b> - This distance may present a problem for this horse.	17	<b>LEG WRAPS</b> - A horse racing with leg wraps may have some physical trouble or suspected weakness, and this horse has been wearing them.
4	<b>EQUIPMENT CHANGE</b> - Any equipment change may affect a horse's performance, and this horse is scheduled for a change today.	18	<b>AGE</b> - The age of this horse is not consistent with that of his competition. A young horse against mature horse or a particularly old horse against younger horses may be at a disadvantage.
5	<b>TROUBLE PRONE</b> - Certain horses encounter trouble frequently, often being self-caused, such as not running straight, starting slowly etc. This one seems to be that type.	19	<b>IMPROVING</b> - This horse seems to be improving or should improve in this field.
7	<b>INSIDE POST POSITION</b> - This inside post position may cause a problem for this horse at this distance.	20	<b>LONGSHOT</b> - Some indicators that are present when horses surprise with a good performance at high odds are noted.
8	<b>OUTSIDE POST POSITION</b> - This outside post position may cause a problem for this horse at this distance.	21	<b>FITS RACE</b> - This horse seems to fit this race.
9	<b>PACE</b> - The probable pace or speed in the early part of this race may not be suitable to the racing characteristic of this horse.	21c	<b>FITS RACE</b> - This horse seems to fit this race except for class.
10c	<b>HIGHER CLASS</b> - This horse is being tried at a higher level.	21d	<b>FITS RACE</b> - This horse seems to fit this race except for the distance.
10d	<b>LOWER CLASS</b> - This horse is being tried at a lower level.	21r	<b>FITS RACE</b> - This horse seems to fit this race except for a lack of recency.
11	<b>FEMELE vs. MALE</b> - Since it usually takes a better-than-average female to beat an average male, there could be a problem here	22	<b>CONDITIONS HORSE</b> - The conditions for eligibility are ideal for this horse.
12	<b>FOREIGN RACES</b> - Previous races for this horse were out of this country. It is difficult to appraise them.	23	<b>WORK READY</b> - Previous patterns and/or special circumstances make recent works very important here.
13	<b>RELEASED FROM CLAMING JAIL</b> - This horse could be dangerous. He is out of Jail and back to a lower level. (See Glossary under 'Jail').	24	<b>SURFACE</b> - The type surface for this race may not suit the horse.
15	<b>IN-THE-MONEY</b> - This horse appears to have all the elements suitable for an in-the-money performance.	25	<b>BETTING</b> - If the betting on this horse is heavier than expected contention is likely.
		86	<b>VETO</b> - There is no justification for a win to be expected
