

YOU KNOW HORSE racing IS LIKE dating. IF you are really into a HORSE and you KNOW ALL the right THINGS to say and do, you SCORE . IF you DON'T there IS plenty OF HORSES IN the sea, or SOMETHING LIKE THAT.

SO, OAK tree IS HERE, the CAL Cup at the door, and the Breeders Cup and its preps WALKING up the stairs. It'S LIKE dating three girls at the SAME time, you JUST HOPE one LIKES you, or IN THIS case you SCORE ONCE or tWice. Get My point?

THE Main track at OAK Tree IS the Setting. A bit SLOWer and a bit MORE LIKE dirt. THE pro-ride LIKE We HAVE NEVER SEEN before. LAST year IS Far IN your rear view MIRROR and ALL you HOPE For IS that PLASTIC dashboard LUCKY CHARM or FUZZY dice ROLLS SOME SEVEN-ELEVENs For you.

JOCKeYS to WATCH, CHRISTIAN Santagio Reyes, MIKE SMITH, TYLER and MICHAEL Baze, and OF COURSE the threesOME OF Garret GOMEZ, RAFAEL Bejarano, and JOEL ROSARIO.

ON the trainers FRONT you KNOW MULLINS WILL WIN HIS SHare especially ON the drop, Baffert WILL HAVE SOME SORT OF STROKE OF GENIUS WITH a TWO-year-old or TWO, and SHIRREFFS WILL HAVE HIS day WITH ZENYatta IN SEARCH OF the PERSONAL ENSign record. THE CLASSic IS Wide open and you KNOW the EUROS are IN the WINGS. Cheery-o, about a HOT toddy, ole CHAP!

YOU KNOW it WILL be HOT ON and OFF track. THE SANTA ANA'S WILL MAKE their appearance and you ALWAYS got THOSE 'STEINS' to COLLECT.

THE GoodWOOD, We LOVE it, the LADY'S Secret, We LOVE it,

YELLOW Ribbon, We Love it, We Love it! I Love Oak Tree! Why?  
 Because HOLLYWOOD PARK FALL IS RIGHT AROUND THE CORNER. OKay,  
 OKay, I Went too Far, but I can tell you HOLLYWOOD PARK WILL NOT  
 go too Far either. A Little birdie told Me they WILL be StICKING  
 AROUND LONGer, and Maybe a Wee bit MORE than people thiNK!  
 Century BLVd. We Love it, We Love it!

THIS IS a good time OF year. THE FOLKS at Oak Tree, RON and the  
 gang WILL celebrate ALL MONTH JUST Like KOOL and the Gang! Free  
 FridayS....and you KNOW the attendance ON Friday WILL be there For  
 the races and NOT SOME concert, and DEFINITELY NO Sobriety  
 CHECKPOINTS outside the track.

Let'S NOT Forget the 100-1 club and Karaoke after the races.  
 HUNTINGTON BLVd. We Love it, We Love it!

LOTS ot LOOK ForWard to. Today'S Racing Digest is diSSecting MANY  
 NEW Features and tracks. THE WORKout page WILL grow as We Had  
 a CHange in our STAFF, and i WILL be at Santa ANita and WILL HAVE a  
 NeW Member HANDLING the HOLLYWOOD PARK duties For a MONTH or  
 so. YOU KNOW our Breeder'S Cup WORKouts and race ANALySIS WILL be  
 Hard Hitting that'S For Sure.

So, tie that yellow Ribbon around that Oak Tree this October!  
 See you at the track!
