## FRACTIONAL CHART ORDER OF FINISH AND AVERAGE TIMES

(This is not a Selection)

- 1: Madeline Ruby
- 2: Lexlenos (Ire) and Lullabytime (tie)
- 3: Xtrapleasure and Forever My Love (tie)

**ET:** :24.7, :49.2, 1:13.5 and 1:44.3 (Expected Times with a 0 variant)  
**AT:** :23.8, :48.0, 1:12.3 and 1:42.9 (Average Times for mid-level races)  
**AFTL:** :24.0, :48.3, 1:12.7 and 1:43.9 (Average Times for this level)

## RACE APPRAISAL

**ANALYSIS:** **Pretty Unusual** is already a Stakes winner and enters this fresh. Her trainer/jockey duo has already won twice at the meet, her barn does well with comebacker and the filly seems to like this strip. She should appreciate the drop to this level and we'll give **'Unusual** the HF 15a. **Madeline Ruby** plots on top off her big win vs. \$40,000 sops Dec 11. That was her first synthetic route, Rosario sticks with her and the pace should be honest. **Lullabytime** shows a rising numbers pattern and was 4th at this level Nov 28. Her jockey was 0-for-26 at the meet as of press time, but another move forward could have her posing for pictures.

**Forever My Love** was 2nd to 'Ruby Dec 11. She won her lone route over this oval and Tyler may fit this gal well as she has good early speed and figures to be playable odds today. **Asanti, Lexlenos** and **Miss Silver Brook** are all in good form, but they also appear they are allergic to the winner's circle. We will use them in the bottom of the exotics only.

**Analysis by Jon Shonk**

**CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Madeline Ruby and Lullabytime :29.7 - Lexlenos :29.9

## HORSE COMMENTS

**Asanti** pressed a slowish pace and held for the win vs. Cal-bred Optional Claimers Nov 18. She seems to fire every time out, but Gomez rides elsewhere and that race plots near the bottom. We'll use her in the exotics only.

**Madeline Ruby** tried a main track route for the first time and rallied for the win on a 'L1/O2' strip against \$40,000 sops Dec 11. That race tops the charting, Rosario sticks with her and there appears to be plenty of pace signed up. Give her a long look right back.

**Lexlenos (Ire)** has had three chances at this level after placing in a pair of Graded Stakes earlier this year. She was tried with blinkers last time out Nov 28, but still finished 3rd. It seems she enjoys the minor awards and we'll look elsewhere for the winner.

**Forever My Love** pressed the pace in that Dec 11 event and held 2nd while against the 'L1/O2' bias. Tyler Baze tries his hand and the filly won her lone route over this strip April 17. She may rate a chance to turn the tables should the track play fair.

**Xtrapleasure** rode the 'F2' bias when she beat straight Maiden routers on the main track Dec 4. That race was off the bench so she may improve with recency and Bejarano rides back. However, the pace figures to be faster today and she may have a tough time winning two straight.

**Lullabytime** had trouble early and rallied for 4th in a like event Nov 28. Her numbers are going the right way and she is a Santa Anita route winner. Her biggest neg may be her jockey who lost his first 26 mounts at the meet so far.

**Miss Silver Brook** has been stuck at this level for a long time and is back around two turns after six straight sprints. She plots as the speed of the field and Gomez sticks with her, but she is another who seems exotics material only.

**Pretty Unusual** is eligible for this race and does not have to be up for the optional claiming tag as Cal-bred races do not count against the conditions. She won the Melair Stakes April 25 and went to the sidelines off her 8th July 25. She has six works since Nov 19 and her trainer/jockey duo are off to a hot start at the stand. Look for her to be running on late.
